

Kayak Touring Clinic for Beginners

Stone Mountain Park Lake

Dates: #1 Thursday, October 2nd 3pm
#2 Wednesday, October 22nd 3pm
#3 Sunday, November 16th

Cost : \$4/\$6/\$8 per trip - includes transportation, instruction,
paddling equipment, and leadership

Limit: 8

THE ABILITY TO SWIM IS A REQUIREMENT

This short trip will afford beginners the opportunity to learn the basic skills necessary to enjoy exploring in a touring kayak. Learn flatwater paddling techniques, safety concerns and how to pack your boat for your next kayak touring adventure. We will spend the afternoon leisurely paddling around the lake at Stone Mountain Park to make for an enjoyable and educational day.

Experienced paddlers are welcome to come along to get some time on the water, though no previous kayaking experience is required for this clinic. Bring sun screen and a hat to keep the sun out of your eyes. A change of clothes and a towel would be a good idea as well (just in case).

Meet at the Touch the Earth office 15 minutes prior to trip departure, or meet us at the boat launch at Stone Mountain Park. You will receive a call before the trip with more information about logistics.

Please call the Touch the Earth desk at 404-413-1772 with any questions.

**This is a Touch the Earth trip sponsored by Recreational Services at
Georgia State University.**
