Composition Lesson Tracker

Students not formally enrolled in the Composition Concentration are to meet outside of class with graduate composition students. Lessons are to be a minimum of 30 minutes per session. There are a minimum of 4 lessons prior to the mid-point of the semester and 4 lessons prior to the mini-juries in class. It is the responsibility of both parties (graduate students and those requesting lessons) to arrange lesson times/days/location on their own.

This lesson tracker must be signed and turned in both by the Thursday just prior to the mid-point of the semester and on the day of the mini-juries in class.
