MgS 4120 Project	<u> </u>																L		
PRINT your name, last name first, one letter per box																			
D 1 1																			

Project 1:

Part 1: Answer part a of the "Virulence" project at the end of Whalen & Churchill with a complete cogent single paragraph.

Part 2: Attach a 3 page printout consisting of the main page, the answer report, and the sensitivity report. Each of these three must be well laid out on a single page with appropriate choice of font size and landscape or portrait alignment. All three pages must have grid lines and row/column headings.

Part 3: Write a first draft of an executive summary addressed to the President. The summary must be correct (mathematically AND grammatically), cogent, and simple. The first draft should be double spaced, around two pages long.

Part 4: Staple your work with a single staple in the upper left corner as follows: this cover sheet, executive summary, single paragraph answer to question a (on a sheet by itself), and the three Excel printout pages.

Turn in your work ON PAPER or fax it to 1-626-605-2586. Email submissions will not be accepted, except pdf,
