Location and Parking Information
Georgia State University
Psychology CE Workshops 2014

NEW LOCATION THIS YEAR!

Please note that all four CE Workshops will take place in the auditorium of Centennial Hall on the campus of Georgia State University this year (not in the Student Center as in previous years). Centennial Hall is located at 100 Auburn Avenue, Atlanta, GA 30303. Centennial Hall is located at the corner of Courtland Street and Auburn Avenue.

PARKING

GSU Decks: There are two GSU parking decks available for parking, the M Deck and the T Deck. If you have been to a previous workshop at GSU, you likely parked in the M Deck. Parking in these Decks for a special event is usually $7.00. Both decks are about a 2 city block walk to Centennial Hall. Please see the map for directions to Centennial Hall from the decks.

Alternative Parking: There are several parking lots around Centennial Hall which are not owned by GSU. There are often available parking spaces in these lots, and the parking lots may be closer to Centennial Hall than the GSU decks. Please see the map for the location of the following parking lots. Please be aware that these lots are not owned or monitored by GSU, and the information contained here may change without notice.

Parking Lot 1 is an outdoor self-pay lot that is not affiliated with GSU and located at 141 Auburn Avenue, directly across from Centennial Hall.
Parking Lot 2 is an outdoor self-pay lot that is not affiliated with GSU and located at 141 John Welsey Dobbs Avenue, and is located behind Centennial Hall.
Parking Lot 3 is an outdoor self-pay lot that is not affiliated with GSU and is located next door to Parking Lot 2, and is also located behind Centennial Hall.
Parking Lot 4 is an outdoor self-pay lot that is not affiliated with GSU and is located at 17 Courtland Street, and is about a half a city block from Centennial Hall.

These parking lots require either exact cash (usually about $6) to be placed in a slot associated with the number of your parking place, or payment via a machine that takes cash or credit cards.

Accessibility Issues: If you need accessibility accommodations regarding parking as well as entering Centennial Hall, please contact Dr. Hal Rogers at 404-413-6220 at least one week prior to the workshop(s) you are attending to make arrangements.
