

Science Olympiad-Twelfth Annual Coaches Clinic

The purpose of the Coaches Clinic is to introduce the new events for the 2005 Science Olympiad and to help coaches develop a better understanding of all the events along with strategies for their classroom implementation. National Event Supervisors or exemplars in the field will conduct the clinic workshops.

Accommodations: (\$60.00 - \$90.00 per night plus tax)

Activities: The conference will start with a *General Session* at 5:00 p.m. followed by a Friday evening dinner at Morton High School at 5:45 p.m. There will also be a series of hands-on workshops at 7:00 and 8:00 and *State Meetings* at 9:00 p.m. This allows for 40 different sessions during the course of the evening. Saturday activities will start with a breakfast at Morton High School from 7:00 until 8:30 a.m. This will be followed by twenty breakout sessions at six different time slots for a total of 120 different sessions on Saturday. One workshop will focus on how to organize a Science Olympiad team for newcomers to the Science Olympiad. There will be a ninety minute lunch break. Each workshop session will be conducted by an expert in Science Olympiad; the majority of these presenters are currently event coordinators for the national tournament. The instructors will include some of the most outstanding and successful individuals associated with the National Science Olympiad program.

Registration is limited to 700 participants on a first-come/first-served basis, and participants may attend the workshop sessions of their choice. All participants will be notified regarding their selection status. Registration, which includes access to all workshops, the Friday evening dinner, Saturday's breakfast and lunch, is \$110.00. All participants will receive extensive handouts, the *2005 Science Olympiad Manual and Rules*, a Science Olympiad tote bag, a Science Olympiad Coaches Clinic tee-shirt, an event binder, and a commemorative mug.
