

Minnesota Department of Transportation

395 John Ireland Blvd.
St. Paul, MN 55155-1899

Job Title: Historian (State Program Administrator Coordinator)

Salary: \$25.51 – 37.93/hour; \$53,265 – \$79,198/year.

Duties: Manage statewide cultural resource contracts and provide consultant training and liaison activities related to federally funded transportation projects and historical properties within a strong collegial atmosphere. Act on behalf of the Federal Highway Administration (FHWA) in conducting inventories and evaluations of historic properties, including actual site work, analysis, development of mitigation plans and federal cultural resource clearances for projects or oversee consultants (contracts) performing these activities. Work extensively with other Mn/DOT staff and closely with SHPO, Historical Society, Counties, Cities and other stakeholders to carry out the Section 106 process.

Qualifications: Applicants must have education and experience sufficient to meet or exceed the Secretary of the Interior's PROFESSIONAL QUALIFICATION STANDARDS, as set forth in federal statute 36 CFR Part 61, in order to act on behalf of the FHWA.

History

A Graduate degree in history or closely related field; or a bachelor's degree in history or closely related field plus one of the following:

At least two years of full-time experience in research, writing, teaching, interpretation, or other demonstrable professional activity with an academic institution, historic organization or agency, museum, or other professional institution;

Or - Substantial contribution through research and publication to the body of scholarly knowledge in the field of history.

OR

Architectural History

Graduate degree in architectural history, art history, historic preservation, or closely related field, with coursework in American architectural history, or a bachelor's degree in architectural history, art history, historic preservation or closely related field plus one of the following:

At least two years of full-time experience in research, writing, or teaching in American architectural history or restoration architecture with an academic institution, historical organization or agency, museum, or other professional institution;

Or - Substantial contribution through research and publication to the body of scholarly knowledge in the field of American architectural history.

In addition, applicants must have three years advanced professional experience conducting architectural survey work and historic context preparation.

Benefits: Employer paid medical, dental and life insurance. Defined benefit pension plan. Optional life insurance, STD and LTD is also available.
