I hereby name age _____, which I will attain in the year _____, as my Normal Retirement Age for the purpose of using the catch-up provisions of the Georgia State University Deferred Compensation Plan, as set forth in Section 457 of the Internal Revenue Code and the Georgia State University Deferred Compensation Plan. I understand that:

- This age immediately follows the three-year catch-up period. By making this election, I am setting the time period in which I may use the catch-up period. If I continue to work past my elected retirement date, contributions will be reduced to the normal maximum rate in place at that time.
- This election is a one-time election; and
- This election is irrevocable after I begin using the catch-up provisions. You may stop contributions. However, as set forth above, you may not start new catch-up contributions beyond the three-year period elected herein.
