

ON-CAMPUS SOURCES FOR TUTORING

Student Support Services, 152 Sparks Hall

Please call 404-413-1680. You may need a referral from ODS before you can use Student Support Services. An intake with the ODS office is required to be eligible for their services. An intake, including income information must be completed with this office prior to receiving services. Services available include academic counseling, personal counseling, support groups, and tutoring (Priority given to low income and first generation college students).

Math Assistance Center, 122 Kell Hall

Please call Dr. Don Harden 404-413-6407 to confirm the hours the center is open. Services available may vary on a daily basis because tutors for certain subjects are not available every day. This center provides tutoring and assistance with a variety of mathematics and statistics courses.

English Writing Lab, 976 B General Classroom Building

Please call 404-413-5800 for lab hours. This lab offers assistance with composition, grammar, and writing.

The LARC Language Lab, 128 General Classroom Building

Please call 404-413-5987 for lab hours. This lab provides assistance with foreign language classes.

OAAS&P, Office of African American Student Services and Programs, 315 Student Center

404-413-1530. Offers tutoring, study skills workshops and homework assistance. Will have to fill out paperwork to set up tutoring
