

Motion to Revise the Membership of EMC

Passed by the Enrollment Management Committee, October 15, 2009

Motion: *Additions/Changes*

Effective immediately.

The Enrollment Management Committee (EMC) will be composed of the Provost, the Associate Provost for Academic Programs, the *Associate Provost for Institutional Effectiveness*, the Director of Admissions, the Director of Financial Aid, the Registrar/Assistant Vice President for Enrollment Services, *the Academic Director for Student Retention*, *the Director of University Honors Program*, two representatives of the Deans (selected by the Council of Deans), the chair of the Senate Committee on Admissions and Standards, a faculty member from the Senate Committee on Diversity, a faculty member from the Senate Committee on Planning and Development, a faculty member from the Senate Budget Committee, a faculty member from the Senate Committee on Student Life and Development, and three faculty members from the Senate Committee on Admissions and Standards.

Rationale:

The membership of the EMC needs to be adjusted to reflect the change in title of the Associate Provost for Academic Services to the Associate Provost for Institutional Effectiveness. In addition, the new position of Academic Director for Student Retention and the Director of the University Honors Program should be added to EMC because these positions are crucial to enrollment management.
