

Locker Room Facilities for Physically Challenged:

Family Changing Room

The Family Changing Room is equipped with accessible lockers (available for rental at \$8 per semester), shower stall, toilet, bench and sink. Patrons who have physical challenges may have access to the Family Changing Room on a first come, first served basis. Parents with children older than the age of 4, who are of the opposite sex and patrons with physical challenges have priority usage of this locker room. Because this is the only locker room available for these purposes, all other patrons should use the main locker rooms. This locker room is located on the lower level, near the pool entrance.

Men's and Women's Locker Rooms

The men's and women's locker rooms are equipped with accessible lockers, shower stalls and bathrooms. Each locker room is equipped with rental lockers, day-use lockers, showers with dressing areas, toilets, hair dryers and vanity areas.

Family Changing Room

The Family Changing Room is available to parents/guardians with children older than the age of 4, who are of the opposite sex. This locker room has a shower, sink, toilet, changing station (infants) and bench.
