Minutes of October 26, 1999

The minutes of the October 26 meeting were corrected to read: Paul Alberto, Nancy Floyd, Greg Lewis, Ellen Taylor, Armenia Williams to be counted as present. A motion was made and seconded to approve the corrected minutes.

Graduate Council Report

The APACE Graduate Council recommended approval of the following:

a. Approval of a proposal from Arts & Sciences and Robinson College of Business to award a joint Bachelor of Arts in French, German or Spanish language and a Masters of International Business (combining two existing degrees).

b. Approval of a proposal from the Robinson College of Business to create a new concentration in "Health Administration" within the MBA program.

c. Approval of a proposal from the Robinson College of Business to create a new major in "Personal Financial Planning" within the existing MBA degree program. (While labeled a new major by the RCB, the Provost's office has indicated that this proposal does not represent a new degree program and hence does not require Regents approval).

d. Approval of a proposal from the Robinson College of Business to create a new graduate certificate program in "Personnel Financial Planning."

The recommendations were voted and approved.

Web-Based/Distance Learning

Dr. Newman announced that on December 1 the Web-Based/Distance Learning Committee would meet. The committee will discuss academic issues and APACE and the University System of Georgia initiative for the e-core.

Additional Business

Evelyn Babey, Enrollment Services requested APACE to consider reorganizing the course numbering policy. This item was tabled until Dr. Babey can be present.

There being no additional business, the meeting was adjourned at 3:45 p.m.

Betty Hill, Recorder
