Call to Order
The Chair, John Newman, called the meeting to order at 12:09 p.m. in Room 718 General Classroom Building

Minutes of October 10, 2000
A motion was made and seconded to approve the minutes of October 10, 2000.

Agenda Items
Tim Renick reported on the status of the certificate program from the School of Policy Studies: Certificate in Nonprofit Management. A motion was made, seconded and approved to accept the certificate program.

Tim Renick also reported on the status of the Joint Master Degree Program in International Business and Political Science from the College of Arts & Sciences and the Robinson College of Business. A motion was made, seconded and approved to accept the program.

New Business
Mary Hock from Arts & Sciences proposed a new committee to develop general guidelines for Writing Across the Curriculum courses. The following motion was made, seconded, and approved: “APACE shall create a standing committee on Writing Across the Curriculum as a subcommittee. The charge to the committee is to approve general guidelines for Writing Across the Curriculum courses and to recommend WAC courses that are forwarded from the Colleges on an ongoing basis.” by that APACE shall A motion was made, seconded and approved for the Undergraduate Council to form a WAC subcommittee.

Joan Carson volunteered as chairperson of a committee to develop a policy for non-native speaking teaching assistant assessment and training. A motion was made, seconded, and approved to establish the committee.
APRC Committee Reports
Judith Wold reported on Cardiopulmonary Sciences as an information item. It is anticipated that the Kinesiology & Health report will be presented at the next APACE meeting. On the docket for AY2000-01 are the Law School, the School of Art & Design and the History Department.

Other
Tim Crimmins reported on proposed changes for research center self-study reviews. Currently, the Research Committee of the University Senate reviews research centers as entities separate from their academic units. Under discussion is the concept of having research centers reviewed at the same time as the academic unit with participation and consultation from the Research Committee.

There being no further business, the meeting was adjourned at 1:01 p.m.
