Planning and Development Committee
Minutes
April 27, 2000

Lauren Adamson called the meeting to order at 1:05 p.m. and asked if there were any corrections to the minutes from the last meeting. One spelling error was noted. All were in favor of approving the minutes.

Organizational Details for 2000/2001

Dr. Adamson opened the floor for nominations for Chair of the P&D committee for 2000/2001. George Rainbolt nominated P.C. Tai, who was unanimously elected. On behalf of the P&D committee, John de Castro sincerely thanked Dr. Adamson for her hard and dedicated work. Dr. Adamson stated that she enjoyed her tenure as Chair of the committee and the opportunity to work with the group on the strategic plan.

New Business

Lauren Adamson noted that the 2000/2001 committee would need to address issues tabled this year because of the strategic plan. Some of those issues are A) the ASUR report concerning Human Resources and B) classroom facilities. Dr. Sattelemeyer added that technology discussions are also pertinent now in light of the new technology fee.

Dr. Tai recommended alternating meeting days so that more members could attend meetings. He stated that he would be in touch via email to set up these dates.

The meeting was adjourned at 1:20.

Respectfully Submitted,
