Call to Order
The meeting was called to order at 10:05 a.m. by chair, Dr. Kurt Keppler.

Approval of the February Minutes
The minutes of the February meeting were approved unanimously. The motion to approve was made by Tim Renick and seconded by Debra Snell.

Petition to Charter Alpha Omega
The SLDC previously tabled Alpha Omega's petition to charter while awaiting the results of the University Housing’s peer review board. The board placed Thomas Redmond, President of Alpha Omega, on probation. A motion was made by Debra Snell to revoke Alpha Omega's reservation privileges and this motion was seconded by John Diehl. The SLDC denied Alpha Omega's petition to charter because a new president had not been appointed and a list of members was never provided to the SLDC as requested.

Chartered Student Organization Petitions
The following student organizations' petitions were approved unanimously by the SLDC: The Egyptian Student Association and Phi Sigma Tau, a philosophy honor society. The motion to approve was made by John Diehl and was seconded by Kevin Propst.

Student Code of Conduct Revisions
Dr. Keppler announced that 90% of the changes to the Student Code of Conduct were language and grammatical corrections. He did emphasize that significant revisions had been made to section 12 of the code, the section concerning judicial procedures and the Student Court. This section was revised to lessen the legalistic language of the past and to implement more appropriate sanctions. These revisions reflect a shift from a highly legalistic Judicial court to a more educational approach. The SLDC voted unanimously to approve the Student Code of Conduct revisions. The motion to approve was made by Bill Thomas and John Diehl and seconded by Elizabeth Heidler.

Report from the Ad Hoc Fee Committee
Dr. Keppler and Bill Thomas informed the SLDC of the progress of the AD Hoc Fee Committee. A three tiered system has been proposed by the committee: Tier 1 would reflect essential budgets and costs incurred by the Dean of Students Division; Tier 2 would be comprised of programming groups such as SGA, spotlight, The Signal, and WRAS; and Tier 3 organizations will be allotted on
a priority basis. The committee emphasized the need to provide funding to student groups which benefit the GSU community as a whole and not cater to individual needs. Kevin Propst raised concern over the separation of Cinefest from the Spotlight Programs Board. It was noted that the new tier system will make it more difficult for new student groups to attain funding. The model for the Tier system was adapted from a similar method used by Georgia Tech. Bill Thomas praised the efforts of Dr. Judi Bryant in helping with the Ad Hoc Fee Committee.

**Announcements**
