ON Campus
The following revisions were made in the On Campus Handbook with regard to the GSU Code of Conduct: The section on term limits will now include the specific titles of all the SGA vice-presidents and the general manager of Cinefest Film Theater will be included in the list of students who can only serve one term unless special permission is granted by the Dean of Students. Also, the section on student leaders will include both disciplinary and academic probation as grounds for relieving student leaders from their position and/or being approved for a student leader position. The SLDC agreed by acclamation that Cynthia Martin and Kurt Kepler could determine the wording of the changes in the Code of Conduct. The motion to approve these changes was made by Doris Derby and seconded by John Diehl. The motion passed unanimously.
