Call to Order
The meeting was called to order by the chair at 12:25 p.m.

Motion to Suspend the Rules
Due to the awful weather, finals, and the lack of SGA representatives who have yet to be appointed, turnout to the May SLDC meeting was low. A motion to suspend the rules and proceed with agenda items was made by Andrea Trinklein and seconded by Linda Spencer. The motion passed unanimously.

Minutes of the April Meeting
The minutes of the April 8, 1999 meeting were approved unanimously without changes. The motion to approve was made by Andrea Trinklein and seconded by Linda Spencer.

ON Campus
The chair called for a recommendation to post the On Campus Handbook on the GSU web page and to only print enough hard copies for new students. The motion to approve this recommendation was made by Jennifer Kardian and passed unanimously.

Faculty Volunteer Opportunities
Kurt Keppler announced that there are two volunteer opportunities available to the faculty members of the SLDC. A Housing Task Force has been appointed by the Provost to investigate and recommend additional housing opportunities at GSU. A second opportunity involves the faculty panel which participates in the INCEPT lunch panels for new students and their parents. These panels occur between June and August during INCEPT orientation sessions. Dr. Keppler announced that he would E-mail the SLDC faculty to solicit members for these committees.

Petitions to Charter
The following groups were granted their petitions to charter by the SLDC: Alpha Psi Omega, The Campaign to End the Death Penalty, Le Cercle Francais, National Student Speech Hearing Association (NSSLHA), and the Power of Women. The motion to approve was made by Andrea Trinklein and seconded by Linda Spencer.

Announcements
Dr. Keppler announced that the Student Activity Fee increase of $2.45 was denied by the Board of Regents despite the recommendations of FAC-P. Due to the 4% raises to select GSU employees which are paid out of the Student Activity Fee, this means a budget deficit of $135,000 for the 1999-2000 fiscal year. Dr. Keppler hopes to use the existing emergency fund to cover these shortages in the coming year.

With no further announcements, the meeting was adjourned at 12:55 p.m.

Cynthia L. Martin, Secretary
