Call to Order
The meeting was called to order by the co-chair, Kurt Keppler, at 12:15 p.m.

Latter Day Saints Student Association
The previously tabled petition to charter, submitted by the Latter Day Saints Student Association, was approved unanimously. The petition had been tabled until such time that two academically eligible officers were presented to the SLDC. The motion to approve was made by John Diehl.

Petitions to Charter
The following petitions to charter were approved unanimously by the SLDC: Empowered Hermanas, Filipino Student Association, Gamma Iota Sigma (Risk Management), Omega Psi Phi Fraternity, and the Vietnamese Martial Arts Club.

Student Activity Fee Options
For the past three years, the Board of Regents has denied GSU's request to increase student activity fees despite approved increases in the Technology fee, athletic fees, health and transportation fees. Total fees for students are currently $313.00. As fixed costs continue to increase, this freeze in fees has resulted in an approximately 4% annual drop in funding to Student Services and all chartered student organizations which receive fee funding. The dean of Students, Kurt Keppler, proposes a fee increase request in order to prevent further funding losses affecting student services and organizations.

Student Directory Update/Issue
The 2000-2001 faculty, staff and student directory should be available by the first week of November. It was proposed that email addresses of all persons listed in the directory should be included by 2002. Kevin Propst, Director of Student Activities, is soliciting feedback on this proposal with regard to students privacy issues should their email addresses be included.

Presentation from Wood Catering Services
Chris Wood of Wood Catering Services was an invited guest of the SLDC for today's meeting. Mr. Wood informed the SLDC that the company was based in Allentown, Pennsylvania and had further plans to continue to renovate existing cafeterias on the GSU campus. Wood Catering is attempting to pursue a more student friendly atmosphere than the previous catering organization. For example, Wednesdays are "Student Day" at
Subversions in Kell Hall. Wood Catering plans to hire a catering director for the GSU campus and subsequently expand catering services.

Charter Renewals
Cynthia Martin submitted a list of all student organizations which had turned in their charter renewal forms by the October 1, 2000 deadline. The motion to approve and re-charter these organizations was made by Jerry Edwards and passed unanimously. All organizations which failed to re-charter by the deadline, will lose their status as chartered student organizations and all the rights and privileges thereof.

Student Leader GPA Requirements
In light of the recently completed charter renewal process for student organizations, a proposal was made to the SLDC to change the wording in the Code of Conduct regarding GPA requirements for officers. Currently, the handbook requires that officers have a 2.20 GPA at the time of election to office and that student officers must maintain a 2.00 GPA to remain an officer. Unfortunately, it is difficult to know when students were elected to office. Several students leaders listed on the charter renewal forms failed to meet the 2.20 GPA requirement. It was proposed that all student organizations be required to maintain a 2.20 GPA for their entire term in office. This proposal met with wide support among the faculty, staff and students of the SLDC. It was requested that Cynthia Martin and Kurt Keppler provide a formal, written proposal of the new wording at the November SLDC meeting.
