Call To Order
The meeting was called to order at 12:22 p.m. by ex-officio chair Janet Gabler-Hover.

Selection of New Chair
Janet indicated that she was only acting in the role of chair until the Committee was able to find a faculty replacement. All faculty members at the meeting respectfully declined nomination as chair. Janet stated that Guan Tao Chen had expressed interest, but he was not at the meeting. Doug Barthlow agreed to help as chair until a new chair was elected. Doug will contact Leslie Wilson and Guan Tao to discuss his interest in being committee chair.

Meeting Attendance
It was noted that many of the faculty members were not attending the meetings. A suggestion was made that Leslie Wilson, the committee’s assistant, send out a reminder e-mail to all faculty informing them of all upcoming meeting dates and locations and reiterate the importance of their attendance at committee meetings. Leslie Williams agreed to convey this message to Leslie Wilson.

Approval of Minutes
A motion was made to approve the minutes as written. The motion was seconded and the motion passed unanimously.

Announcement by Kathleen Pittman
Kathleen Pittman handed out information regarding a project Georgia State is doing with the University of Botswana on HIV/AIDS. Georgia State hosts a website forum for students to discuss issues of HIV/AIDS with experts. Kathleen asked that members distributed the information to other student organizations to get the word out about the program. They are trying to gather the types of questions and needs of students and
find better ways to serve students on the issues. Janet asked about the message board being anonymous, Kathleen replied that when messages are sent it does not indicate the identity of the person.

Doug Barthlow asked how students know about this, and would it be possible to do an e-mail broadcast message? Kathleen indicated the person previously in charge of publicity has left the university but they are working on ways to get the word out. Heather Housley indicated that the African Student Association might be a good student group to align with because they do a lot of HIV/AIDS projects.

- **Student Activity Fee Committee Recommendations**
  Rebecca Stout handed out her recommendations for the non-student members of the Student Activity Fee Committee. The Student Life & Development committee is responsible for approving the appointments of these members. Becca recommended Heather Housley and Darryl Holloman as administrative staff to the committee and recommended the third non-student be a faculty member from the Student Life & Development committee, which could either be the chair of the committee or his/her designee. The third person would be selected once the new chair is elected. Janet moved to approve the recommendations and it was seconded by Kimberly Smith. The motion passed unanimously.

**Announcement Regarding Homecoming**
Rebecca Stout announced that there would be a university wide planning committee for homecoming this year. The committee would likely include representation from all of the spotlight student directors, the Alumni Association, Athletics, the Village and Lofts, SGA President, SAC Members and other key stakeholders. Becca would be the chair of the committee. She invited a member of SL&D to also serve on the committee. Since there was no chair, it was suggested to make the determination once that person was elected. Until then, Becca will keep the committee informed of what is happening. Janet asked if Dr. Patton had set aside any special funding for an expanded Homecoming. Becca replied that there were monies already allocated to the event and that now it is just a matter of deciding how to spend the money.

**Adjournment** - The meeting was adjourned at 12:55 p.m.
