I. Welcome
Elisabeth Burgess called the meeting to order at 12:24pm.

II. Action Items

A. Approval of Minutes
Pamela Anthony motioned to approve the minutes from the August 24, 2006 meeting. Seconded by Stacy Koshko, the minutes were unanimously approved.

B. Proposed Revisions to the Student Code of Conduct
Stacy reviewed recommendations to two Code of Conduct policies:
Chartering Student Organizations
Special Event/Late Night Event Policy

For each policy, Stacy provided a summary sheet outlining the major revisions to the policy. She then reviewed the policy individually by section and explained the rationale for the proposed recommendations. The following major comments were made regarding the policy on Chartering Student Organizations:
Elisabeth Burgess questioned why a student organization could remain in an inactive status for 24-months rather than being terminated. Pamela explained that given the nature of transitions that occur within student organizations from year to year, two years would provide sufficient time for an organization to regroup from an inactive year (i.e. the new leadership did not submit a charter renewal form) without being terminated. Stacy clarified that student organizations that are inactive for less than 24 months would receive approval from the Office of Student Life and Leadership rather than the Student Life and Development Committee (SLDC) as is the current practice. Any group that is inactive more than 24 months would have to file a Petition to Re-establish and be approved by SLDC.
Debbie Rupp requested revisions within the Sports Clubs section to include language regarding the Department of Recreational Services’ role.
Ed Bullwinkel objected to the statement that “only inter/nationally recognized fraternities and sororities may be considered for expansion,” noting that this precludes local organizations from originating at Georgia State.
Ed Bullwinkel objected to the statement that “student organizations must abide by the rules and regulations outlined by the Office of Student Life and Leadership.” He suggested that this language is too broad and gives too much authority to the Office of Student Life and Leadership. It was further recommended that the words “regarding the charter process” be included as a parameter to this authority.
Due to time constraints, the Special Event/Late Night Event policy was not reviewed individually by section. Committee members were asked to review the recommendations for each policy and that further discussion and voting would occur at the October meeting.

III. Discussion/Information Items

A. Approval for Non-student members to the Student Activity Fee Committee
   Elisabeth asked for approval to accept Eric Blacknall, Stacy Koshko and Timothy O'Keefe as the non-student members to Student Activity Fee Committee. Cameron Bridges motioned to approve, Pamela seconded and the motion was unanimously approved.

B. Meeting Times for Subcommittees
   Pamela announced that the Library Plaza Amplification Subcommittee will meet Friday, September 29, 2006. She will confirm the time with the committee members. Pamela also requested more volunteers for the subcommittee to discuss establishing procedures to approve rain locations for events classified as university traditions.

C. Volunteers for Administrative and Support Unit Review Committees for Recreation Services and the Rialto
   Elisabeth asked for volunteers to serve on the ASUR committees for the Department of Recreational Services and the Rialto Center for Performing Arts. Cameron Bridges agreed to serve on the committee for Recreational Services if no one else volunteered; however, he asked Elisabeth to continue to seek other volunteers.
D. New Item-Student- Student Bill of Rights – (Dominique Huff)
   Dominique was unable to attend meeting, therefore this topic will be discussed at the next
   meeting.

E. Other Announcements/Concerns
   Ed Bullwinkel expressed concerns about campus safety and the recent incidents that have
taken place at/around campus and the negative affects on the community at large. He
requested that SLDC form a committee (if there isn’t one already in existence) to address this
and other safety issues in an effort to be proactive rather than reactive. Elisabeth agreed to
speak to other Senate committees to determine SLDC’s jurisdiction regarding this matter.
Debbie Rupp reminded individuals to practice safe habits (not walking alone, walking in well-
lit areas, etc.).

IV. Adjournment

   Elisabeth adjourned the meeting at 1:19pm.
