C. Student Code of Conduct Subcommittee Report-Sexual Assault Policy- (Lanette Brown)

Lanette Brown explained the results from the subcommittee appointed by Student Life and Development in regards to the Student Code of Conduct-General Conduct-Sexual Assault Policy. The Sexual Assault Policy was changed to The Sexual Misconduct Policy in order to broaden it to encompass a range of non-consensual actions that include, but are not limited to acts of sexual assault, rape, sodomy, aggravated sodomy, assault, child molestation, non-consensual kissing, voyeurism, and public indecency. She indicated that GA Tech and University of Virginia were used as models in their decision making process. Sexual assault as it relates to public indecency will be included in the discussion.
