   Subcommittee on Student Code of Conduct
   At the request of President Patton, SLDC will conduct a review of the Student Code of Conduct.
Elisabeth indicated that a meeting of the subcommittee was intended to be held in the summer; however this did not occur so the subcommittee will need to meet immediately. The goal of the review is to look for consistency and review policies to ensure that they reflect current student needs as the student body is constantly growing and changing. In addition to the individuals who had previously volunteered for the committee, Terkquyose Kennebrew, Amina Kirk, and Loren Bradford agreed to serve on the subcommittee.

Announcements/Concerns

Pamela distributed the 2007-2008 On Campus Student Handbooks and announced that additional copies are available in the Office of Student Life and Leadership.

Rebecca Stout announced that the Student Activity Fee Committee (SAFC) is considering a $35 increase to the student activity fee. There are three primary components to the proposed increase:

- Increase funding available to student organizations. Rebecca acknowledged that the number of chartered student organizations has increased dramatically over the last 5 years, and there is a desire to allocate more money to student organizations to meet their organizational and programming needs.
- Increase funding for Spotlight Programs Board to support major campus-wide programming that will appeal to a variety of students.
- Create a fund to support a Speakers Series and to host at least one arena concert per year.

In accordance with its guidelines, SAFC will host open hearings to inform the student body about the proposed increase. The hearings will be held on September 12th and 13th, and a Signal ad will be placed to inform students about the hearings. Amina Kirk, who is a member of the SAFC, expressed her support for the increase and reiterated that the proposed increase was initiated by students and not by the university administration.

Rebecca also acknowledged that Timothy O’Keefe is the SLDC representative on SAFC.

IV. Adjournment

Elisabeth adjourned the meeting at 12:51 pm.
