

“Georgia State USA Today Readership Program”

Bill # 08-08

**Author: Senators Greg Abt,
Branden Ford, Alex Gallimore**

Date: October 16, 2008

Vote: Yes X No _____

Whereas the purpose of the Student Government Association is to provide a responsive forum for student opinions and interests and to actively seek out, investigate and resolve student complaints and concerns; and

Whereas the Student Government Association is the official voice of the students; and

Whereas: The Student Government Association believes that having an educated and up to date student body is paramount for the academic health of the student as an individual and for the university as a whole, and

Whereas the Student Government Association believes that having a variety of current, objective, and quality newspapers at the disposal of the student body will cultivate discussion and foster awareness in current events, and

Whereas the Student Government Association believes that having access to said periodicals will greatly benefit individuals during their collegiate and professional careers, and

Whereas the Student Government Association is mandated by their constitution to serve as partners in the administrative processes of the University; and

Therefore let it be resolved that SGA is in favor of creating a committee to oversee the research of the current AJC readership while looking into the USA Today Readership Program to see which option is better while also petitioning department heads of GSU.
