Whereas the purpose of the Student Government Association is to provide a responsive forum for student opinions and interests and to actively seek out, investigate and resolve student complaints and concerns; and

Whereas the Student Government Association is the official voice of the students; and

Whereas other major universities have their Spring Breaks at least a week after we have ours every year and since we are a major university, we should have ours at the same time; and

Whereas the Student Government Association is mandated by their constitution to serve as partners in the administrative processes of the University; and

Therefore let it be resolved that the Student Government Association is in favor of moving Spring Break back at least one calendar week, but to a maximum of two weeks.
