SHOPPING OVERVIEW
You can shop several different ways in Georgia State Panther Mart. A hosted catalog search searches numerous catalogs within the system and returns the closest matches from various suppliers. A Punch-out takes you to an individual supplier’s website and allows you to shop only at that site.

HOSTED CATALOG SEARCH
1. Click on the tab on the top of the screen.
2. Enter the search terms in the search box of the item you are looking for. In the example below, you see that test tube has been entered in the search box.
3. Click the button.

From the results page, you can add an item or multiple items directly to your cart, or compare several items side by side.

PUNCH-OUT SEARCH
Because a punch-out connects you directly to a vendor’s site, the shopping experience for each punch-out is a little different.

2. Shop on the site like you would any other, and when finished, there will be some concept of ‘Checkout’.
3. Follow the website’s instructions for checking out, which will bring the items back to your cart within Georgia State Panther Mart.
4. If at any time during the punch-out you decide to stop shopping without anything in your cart, click the button on the top of the screen to return to Panther Mart.
