New Permit to be posted early July 2017

Attached, please find scanned images of the CDC *Permit to Import Infectious Biological Agents, Infectious Substances, and Vectors*. We have been instructed to ask clients to print the file and then attach the three pages to the exterior of your package(s). You can download and print the file for every package that you ship to our laboratory.

**Please note our new shipping address** as of August 2011. We have moved our laboratories to the new Petit Science Center on the campus of Georgia State University.

National B Virus Resource Laboratory  
Georgia State University  
161 Jesse Hill Jr. Drive  
Atlanta, GA 30303

Our mailing address for correspondence remains the same:

National B Virus Resource Laboratory  
Georgia State University  
P.O. Box 4118  
Atlanta, GA 30302-4118

Please contact me at your earliest convenience if I can provide any further information. We look forward to providing our services.

Thank you,

**6. Signature of Issuing officer**

ROBIN S. WEYANT, PhD, RBP (ABSA) Captain, USPHS (Ret.) Etiologic Agent Import Permit Program

CDC 0728 (F 13.40) REV. 4-13

42 CFR 71.54. Permit to Import Biological Agents, Infectious Substances, and Vectors
Permit to Import Infectious Biological Agents, Infectious Substances, and Vectors

In accordance with 42 CFR Section 71.54 of the Public Health Service Foreign Quarantine Regulators, cited on the bottom of this permit, permission is granted the permittee to import into any port under control of the United States, or to receive by transfer within the United States, the material described in item 1 below.

A person may not import into the United States any infectious biological agent, infectious substance, or vector unless: It is accompanied by a permit issued by the Centers for Disease Control and Prevention (CDC). The possession of a permit issued by the CDC does not satisfy permitting requirements placed on materials by the U.S. Department of Agriculture that may pose hazards to agriculture or agricultural production in addition to hazards to human health.
