Grading: In accordance with Departmental policy, for masters level courses (MBA and FI prefixed), it is expected that no more than 35 percent of the students in a given class section will receive a grade of A. The majority of the remaining students are expected to receive grades of B. Those students demonstrating significantly lagging performance shall earn grades of C or lower as appropriate. The finance department employs the +/- grading system. A C- is considered a passing grade for this course and a C- is considered passing for prerequisite purposes for this course as well as for all finance electives.

Grade Weights:  
Quizzes (top 12 of 13) 33%  
Two-Minute Feedback 2%  
Mid-Term Exam 30%  
Comprehensive Final Exam 35%  
100%
